EXPERIENCE

Venture Development

Jan 2023 – Present

Pebble Beach Resorts

New outlet and merchandise roll outs in \$45M+ retail division within a billion-dollar enterprise.

- Supported day-to-day operations of the retail division while leading new venture development, product category integration, and platform modernization
- Led the Magento-to-Shopify Plus platform migration: architecture redesign, workflow automation, cross-functional adoption
- Pro forma development and financial planning alongside senior leadership
- New venture activations: US Open 2027 shop, Sunday Red, The Art of Speed, and integration of the 1919 historic collection
- Managed integration of the Golf Links to the Past memorabilia collection into Pebble Beach retail, including historical Archives representation
- Built AI workflow automation proposals and trained staff on using existing tools more efficiently
- Inventory oversight of \$7M+ warehoused inventory across 20+ retail locations
- Division exceeded FY25 budget by 11.5%

General Manager

Jan 2023 – Jan 2025

Golf Links to the Past

Globally recognized luxury golf memorabilia and fine art business.

- Held full P&L ownership of a \$1M+ revenue business responsible for sales, merchandising, replenishments, and customer relationships, managing a team of 7 and reporting to both Golf Links ownership and Pebble Beach leadership
- Built the sales pipeline; handled high-value negotiations and closures with collectors and institutional buyers
- Personally designed, negotiated, and brokered the partnership that brought the Golf Links collection into Pebble Beach's retail network, working both sides of the transaction
- Owned sourcing, procurement, and storage for a high-value, low-volume specialty collection; managed relationships with collectors, auction houses, artists, and golf historians
